Do you own clothes or shoes that you no longer wear but are still in good condition? Are you looking for new clothes without spending money and at the same time doing something for the environment?

SQUARE Atrium

16.04.2024 from 10:00
to 19:00

How it works:

- 1) Bring along your clean and well preserved clothes and shoes and
- 2) browse for new pieces that other students have brought along.
- 3) Swap your clothes - for free!
